Calling for Market Vendors

The HKIPF 2022 Weekend Market will be held in the courtyard of the Jockey Club Creative Arts Centre, Shek Kip Mei, alongside the Festival's main exhibition. The event aims to bring visibility to a wide range of work while providing an opportunity for makers and vendors to sell and engage directly with the visitors and audiences of the Festival.

HKIPF encourages the exploration of photography and image making through a myriad of forms. Market Vendors are welcome to showcase and sell photobooks, zines and independent publications, prints, equipment, supplies, accessories and unique items. Don't hesitate to contact us if you have any questions about what items to sell.

Over the weekend, we will also be hosting a series of events with overseas partners and local makers. If you would like to propose any talks, discussions, workshops, book launches or signings, please let us know in your application.

If we receive more applications than the space permits, HKIPF will make selections based on the submitted proposals. We aim to showcase a diverse range of works from committed makers and businesses. Health and safety precautions will be taken to prevent the spread of COVID-19 and ensure a comfortable environment for everyone.

Facilities available throughout the event

- 👉 Booth (table size of 3' x 2'; 1x chair; with option to book up to 4 booths)
- 👉 Electricity for each booth
- 👉 Storage space for 2 nights (locked overnight with surveillance)

Contingency Plan ⚠️

If the event is cancelled due to changes in pandemic restrictions in Hong Kong, all vendors will have the option to continue as a Satellite Vendor or an Online Vendor. For vendors with physical shops, HKIPF will add your locations to our online Satellite Exhibitions map and promote your establishment as a Satellite Vendor across our website and social media platforms. For Online Vendors, HKIPF will feature your work or products, together with information and links, on our website and social media platforms to promote and direct traffic to your online shop or website. HKIPF will refund the booth fee less an administration and promotion fee of HK\$80.

If the event is cancelled halfway through due to changes in pandemic restrictions, HKIPF will refund 50% of the booth fee.

In view of the continually unstable pandemic situation, we will monitor for changes to government official COVID-19 restrictions. If restrictions prohibiting the event to take place are not lifted by 3 October 2022, HKIPF will announce the cancellation of the Weekend Market and implement the contingency plan mentioned above.
